If you value yours,
your current treasures
are worth nothing to you.

The thing is we are
poor poor!

What do you
want to say

For an example

How about
your room?

If I give you enough
gems, would you
sell me your room?

No...

Of course, not ...

Yeah, I
Mean it's the most
important!

I will vote for
dad then.

Is that so?
Mum and dad
then?

Yeah, we do know
that our parents are
important. We just
misunderstood your
point.

It was just an
example though...

Can we eat now?

Sure, go ahead

Even old people,
they always try to
sneak

Let's eat fast and get
the hell out of here.
Nothing good can come
out of this old woman

I did not mean to
sneak you.

Come on !

Your steps and
negoties

Your happiness and
sadness

It's locked !

And your future choices

Stand aside !

Dragon call it...

We will live in a pretty good situation if none of them did happen to the kids.

In the worst case, we might have to live far away.

Ragins I

... I am free.

I finished. That's all.

I will go after them. Stay home.

I should have made the decision sooner...

I wasn't sure
whether
happens

Where are
they ?

What ?

Go.

those tracks are gone
and they are not
here. That means ...

Don't !
Don't speak
further !

Let's spread out !
I will search this
area !

Don't not risk ...

... I guess she really
understands

What's going on?

It could bring on all your friends.

What?

There's a real issue.

And that translates to your conclusion?

When for...

What else can do that?

They wouldn't be going after a career field.

I think it is more like a trap so the kids wouldn't choose their target.

— 27 —

I think...

That is how they are
regarding their
intentions

Gravelly

You found your kind
I guess... their
mission is
accomplished

Can you leave me
and the princess
alone?

Wouldn't it be
for the best?

Four kidnappers
is soon.

Now follow the main
abductees.

A house in
middle of nowhere?

Well...
whatever.

A little lady—
what is it?

You are not going
to return the book
anyway, are you

Again? That woman...

I just did!

Please stay
behind!

Return
servants?

Oh, I see...

You will...

Give my message
to them.
Thank you very

Stop

I will take care of
this. Leave

My friend has done
this apparently. Let me
clean up.

If you wish

Wait...

How many (billion)
servants,?

Can I

It really is you!

Overlord told me that
you were still alive.

It wasn't a lie
that I got through you
again...

I am so so
glad to hear you
again.

How can I
not know?

I have this quest
with you.

Still I have yet to
find a way...

A way to drop
Kodomo's teeth
in a hand.

And what is
this?

Who are you?

With him?

With the one who
killed our king ?!

What are you
doing -

You think our
only

Why are you still
trying to kill us ?

Did you leave us to
interfere?

So be it !
I won't g easy on
you !

You didn't defend
yourself ! Does that
mean you don't deny
what I said ?

We never grow
old together

We can do this

My counterpart,
my sister

We can keep our
souls as well as
fighting our duty

It's your fault !

Are you really
serious ?!

What did the old women
want to do with the
baby anyway ?

to sell the shoes on
a flea market.

Well, it just so happens they don't

Part 2 Chapter 2

Do you still believe
that Agan is still
alive?

I will believe.

Will I still give love
to you?

I will not respect
no matter what.

I really do feel
sorry for you
now.

You are all
okay.

I will pay this
cost for you.

Whether you can
it or not, it will be
completely up to
you.

And then you will
see it will also be
dependent on you.

Yes, please --

Believe this.

You may not know what
comes.

But I've lost
everything.

One day, you may
feel the same.

Don't

Let's go.

It's alright.

You

There
always,
always.

Yuzuru! You found
you in the end!

Yuzuru... what
you... say...

If you find out what
you had to do for
him...

So, currently...

I told you so.

Why should I ?
What would it gain

비밀을 삼킨 방

A room that swallowed secrets

I told you so, didn't I?
it's just an old ball game
story.

I've seen some immature
adults spending nights
there, but I've heard that
no one ever saw the fairy.

but I heard that
sometimes nobody had
any chance at it?

well, don't

There should be a reason
supposedly so, isn't that
why there is such a fairy tale
in the first place?

Don't tell me you've
come all the way there
after finding some
strange rumor?

She was really ill,
everyone said she
was going to die.

There was nothing
I could do, so...

I used to pray at the
altar every night.

There was no such
thing as a fairy.

How was she
saved?

I took her to every known
doctors. One of them saved
her.

He simply told her that
the fairy saved her.
(I think I need to connect
her.)

It was few years
ago — it was twelve
months.

One afternoon, the outdoor shop has become very ill. Every doctor in the area would be dead no chance.

I asked her again and
she said she got confused
because she saw so many
doctors.

Personally I think she
is hiding something.
I mean what kind of
mother would forget
such a doctor?

Agh — she
sure has a big
mouth.

I told you. I didn't
really see the fairy.

If I did, I would have
told you so.
I have nothing to lose
by telling you.

Yes

Because I love you...

If you really do
want ...

I will give you
anything ...

Save my daughter
first ...

Ma che cosa è?

Most a dress was torn. She was born with it. I knew that her dress was not something that could be saved.

(As could not move much and had serious affair.

But she had always managed to avoid the word.

But this was right, it was really bad, and everyone said the time had come.

in this and I agreed with them and was about to accept her death.

I said: ...
more gentle ...

Shin-ichi
[ANIME] COM

Then as you said,
she started to speak
some strange words.

It was as if
all water flowing
toward her...

Then as in the
house started to
move.

And I was sure that
I closed all windows
and doors.

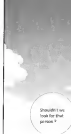

Then the red band
disappeared.

She made herself drink
the water and speak
some words again.

"I suppose she is playing around here."

"super! let's go"

"Endless..."

"Yeah..."

"Come here
back at..."

"It could be"

"and take the
note out..."

"What is going to
happen to her then?"

Do I have to explain everything?

Gosh-ma, there are my knees... how to extract mine status from a living being?

But...

What are you going to do to her?

well, from my runes that allow us extract embedded objects from living beings. Right?

How about you, Raga?

How don't even know
if that sun is what
we need, do we?

Nothing's going to
happen, is it?

True, we'll have to
take a rest for now.

Is also going back
to the way she
was?

is that it?

Let's try that.

It is described in her 'We are going to need to form it first.'

Or we could just insert. First could form it outside.

That.

You don't know how, do you.

Of course not. That's why I am going to try.

Do you have any dangers for this now more than?

You need to experiment first to see if it is going to pose any danger to her.

If it fails, we have no idea what might happen.

Of course, I am doing my
best not to harm the
rune stone.

It should be the child
you should save, not
the rune stone.

You are trying to
take it out from
a living host, I

and it's destined
to going to be
dangerous!

Do you seriously
expect me to care
about all that?

Hey!

Can't you do it
softer?

What? what would
be the point?

She is going to do
what it's her
responsibility

It is doesn't turn out
to be what we're
looking for...

What?

It's not something
you can just take it
and out as you will

Right now, I don't even
know if I can talk it out
calmly without damaging it
I am not going to care for
this child's safety

You are asking for
an easy solution.

Such an dilemma is
not always an option

Didn't you swear that
you wanted to return to
your own world no
matter what?

Didn't you also swear you
were going to show the
goddess?

Did you honestly think
"no-matter-what" would let
me live like this?

You are just
afflicted

Damn, this. How I got your
hand & try to do the
dirty work.

How you've been  
obtaining things  
you want?

That's why you've  
ended up like you are  
now.

Shut up now.  
Let's hear it.

I suppose this is how  
you obtained your  
phone and parents?

Did you feel like you  
could have everything  
since it matched for you?

is that why you are still after the prince?

Just because she refused  
to be mine when I asked  
her? Is that what you  
are saying now?

Reynard!

What made you love  
the princess?

What kind of woman  
was she in front of you?

Just wanting to love  
what you love.

Just doing whatever  
we could obtain  
something you want.

I thought—)

Can you guess what she tried to pass the circles?

At that time, in the room,

There were not

And there was  
and more prince

The water was seeping  
in her blood.

She was already

amazing woman

It seems the rumors were  
true that Yeats royal families  
held the powers for being  
effective and efficient in  
both economics and politics.

He is currently with  
Jelly-Lands

Good. It is better that we  
not to come here and  
spread rumors

Agreed, one wrong  
word and we could  
lose all of our  
advantages

Where is he  
located?

What the hell is that,  
she is a girl and  
she is a girl,  
she is a girl,  
she is a girl

— Briefly business  
there was no partner to  
be held, there was  
nothing.

Thankfully that meant  
that there weren't risks  
for personal lives to be  
revealed.

Good news is that  
we don't have to  
perform.

True enough, life as  
individuals, free  
too many personal  
issues.

But there isn't enough time!  
I feel like now being chased  
by a pack of wolves slowly!

Give him some  
drinks, let him get  
drunk...

I think they may be  
finding this out as  
well.

The last evening  
they'd shared here...

His last of his  
eyes...

His last bright  
smiles...

Wouldn't you  
sleeping?"

could see words

That "beautiful"  
prince

Killed three hundred  
refugees who were  
looking for food and  
boarded

Just so that he would  
not see their names

Yes... it was  
really beautiful  
like...

And there were  
too much flowers.

I wish he could have been properly

though if he did  
would never be in  
good terms.

to my mother's case  
after going back to  
my brother she  
jumped off a tower  
after crying for  
3 days straight

He's a jerk.  
I have no problem  
with it.

I'm not sure if  
I could call that  
a brother  
though

He said this one of  
men is making

I agree with you

Since my brother, all my  
brothers and sisters haven't  
been with a shop of beauty.

Two women  
have children  
for the long.

Two were (succeeded)  
One (succeeded) (succeeded)

Dear world (succeeded)

Two women  
have children  
for the long.

The long is current women,  
under a still being favored  
by the long.

That's why her child  
was allowed to have  
a funeral.

It's not just the  
country

Your country  
Your father's  
country  
All caught in...

I don't know why  
they continued to  
do this

People say that I am  
a ruthless lady, right?

Perhaps they are  
right

And now, how I felt  
enchanted at my deeds

ATTEMPTING  
FIFTY SEVEN

THEY'RE  
THEY'RE

For a moment,  
like that was  
being completely  
normal.

This is not the same  
man I knew.

Perhaps completely  
normal.

she moves the world

Directing  
the character

Lord Blake!

Yes, yes...  
I heard you.

But it is clear now  
we accept whatever  
they want

the nation we are  
losing much more  
this

That, though it  
was told about  
it ..

They are already  
talking as if you don't  
know how to handle  
affairs

They are saying that  
you don't have any  
diplomatic abilities

Leave, then! No!  
I didn't make this  
decision for no reason

For next 10 days  
the queen of Venus  
is going to talk to  
in our language

That was a  
condition I  
demanded  
from them

Yes?

She probably is  
the most powerful  
side in this area.

I was just thinking  
that this may be the  
best side in the  
history.

I don't want to lose  
this software.

This may be  
dangerous.

He is a proper  
side.

"Something like  
Dance-dance-queen, right?"

He is not a proper  
side...

Yes, he is.

He knows what kind of  
person he is and knows  
where he stands and  
more knows what would  
be wrong.

The reason  
we feel like  
that way  
is

Perhaps because  
our world is losing  
something  
too much

... Yes, it was  
certainly a very good  
chance

She was really  
a long legend

... for those, you  
want to modify  
thing

Lord is del's modification  
12 years ago was quite  
close to its original intention

And it just connects wrong,  
it has lost its dignity  
in this case, I'd

is it about history?

Yes

Julian Rade  
Ginsengweyer

"Of course"

The remarkable thing about  
him was going and coming  
often, and the queen was a  
dignified woman.

These two friends  
just there to me  
together and they weren't  
doing fight now.

These royal family was  
almost as different from  
so I remember the young hard  
look.

Without was reveal of that  
the queen was really the  
queen with the king.  
You know that, right?

Queen said that  
the queen did that in  
order to protect the king  
and that she was now.

But I think her with  
defined what their  
marriage was.

A king and  
his queen.

The king of Meiji was  
as close to his queen  
that his queen was like  
a teacher for children.

Their partnership is  
very close and real.

Do you want to poke into  
Suzuki's family ?  
They may look firm on surface,  
but you never know

Get it, no !  
I will make you  
sorry !  
I wonder !

I am glad you are  
not my and my  
father

I love suicide  
It's so easy to create  
those unfriendly people  
bitches.

But there are  
always smile

It's not too darkness,  
comes from

It's also where  
light disappears

It shows the game,  
but smile like  
the dead

... This is not it

I wonder why your  
runes keep coming along.

Perhaps, it's me.  
I think I may have it  
wrong about casting  
layers of runes at once.

Yes, you understand  
perfectly.

You cast a rune,  
manes, and even  
spell runes at once.

Let's give it a  
thought.

I will look down and  
try again shortly.

**Edinburgh

It made us two of  
eye contacts.

It made two  
of

I have no intention to  
ruin your life Ford

I know you are  
going to leave here  
sometime

And I will properly  
see you off

However ..

I couldn't just let  
you leave like this

If I let you go  
like this,

You will likely be able  
to recover your shaken  
mind quickly.

Like picking up a  
handkerchief and  
mending it.

And in the future,  
when our minds  
open.

You will look at me  
with your solid eyes.

Like you did the  
first time.

I cannot  
imagine.

How much it is  
going to hurt for me.

So, I ask you not  
to throw away  
your feelings

And

Don't  
change it.

The feelings you  
hold for the  
right man.

I love you

nothing!

I love

I love

The wind of Nature  
Gently Strokes of Veins

I do know

For...don't make  
my wish to ...

Living not for each.

Still I want you  
to stay

Love me back.

Have you ever ...

ANIMES.COM

Obsessed your love  
to your long "

I believed I gave  
you enough time...

To refuse me if  
you wanted

18 Days and 10 nights

It was enough that the

ments.

And these  
dresses.

The dress that  
captured both of us.

I wish you were around  
every time

We will not  
as if nothing  
happened.

I will be there.

And you will  
go back.

But...

But...

I won't stop.

I will not let you  
go alone.

I don't know how  
long it's going to  
take.

I was prepared  
to protect us from  
all sort of darkness  
coming from  
outside.

All you have to do is  
just wait.

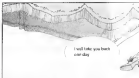

And there confident is  
my ability that I wouldn't  
lose anything to darkness.

What was I  
missing?

I will go with  
the flow.

I will take you back  
one day.

What went wrong?

If you choose, and  
can stay as my pupil,  
I will welcome you.

Will it revolutionize  
the world all over again?

If you fail, I will  
also go on.
